Lewis Center for Educational Research Brick Campaign

After years of waiting, the AAE has a new gym! We invite you to become a part of this momentous occasion by sponsoring a brick for the entryway to our new gym, helping us to continue building our exceptional athletics program.

Here is your chance to have your favorite quote, your name, or the name of a friend or family member etched into beautiful brick pavers. Personalized bricks make great permanent and meaningful gifts and are a great way to recognize families, students, alumni, and your business.

This fundraising project is sponsored by the Lewis Center's Foundation, a non-profit educational organization. The proceeds from this Brick Drive will help to support the Capital Campaign for the new gymnasium.

Thank you for your generous support.
