## iPad Permission Slip – 2018/19 School Year

The Academy for Academic Excellence has an iPad one-to-one program in grades 4-6, where students utilize an iPad through their daily classes. Daily iPad usage is a mandatory component of the AAE curriculum. With your permission, your student will be issued one of the school's iPads free of charge.

For the current school year, your student will receive an iPad, case & keyboard, and charger. iPads for 4<sup>th</sup>-5<sup>th</sup> grade will be stored in carts in their classroom and charged nightly. iPads for 6<sup>th</sup> grade are to be taken home with the expectation that they will be charged and ready to be used each school day. This iPad will stay with your student throughout the current school year and must be returned by June 7<sup>th</sup>, 2019.

If the iPad is willfully cut, defaced, or otherwise damaged, this loss will be your responsibility. In addition, pursuant to the process set forth in the Education Code Section 48904, the AAE may withhold the grades, diploma, and transcripts of your student until any and all losses are paid. Wear or damage through ordinary use or a manufacturing defect does not apply. Please stress the importance of responsibility and care of this equipment with your student.

For a nominal fee of \$25.00, you can optionally insure your student's iPad for the school year. The insurance covers **one incident** of accidental physical damage, including cracked screens, liquid and fire damage. Please note that loss or theft is not covered by this insurance plan. If your student fails to return the iPad, case & keyboard, and charger, this loss will be your responsibility.

This agreement must be signed and returned to the school in order for an iPad to be issued to your student. By signing this agreement you agree to stress the importance of taking care of this school equipment with your child and that you will take responsibility for the cost of repairing or replacing the iPad if your student fails to return the iPad or if it is willfully damaged.
