Dear AAE Families,

As principal, it is my pleasure to welcome you to the 2019-20 school year! We extend a special welcome to all of our new families joining AAE this year and welcome back all of our returning families. Sally Ritchea is joining the AAE administrative team as MS/HS Vice Principal this year. Lisa Longoria will be in her second year as Elementary Vice Principal. We eagerly look forward to serving you in these responsibilities.

I want to give a big thank you to our entire staff for all of their efforts this summer to start the year off in the most smooth, efficient manner. Teachers have been attending professional development as well as working hard to get their rooms organized and ready for students. Office and Facilities staff have also been hard at work to get the campus prepared and clean. The Registrar and School Counselor have done a great job working to be sure students are enrolled and have class schedules ready.

We look forward to seeing you on the first day, Monday, August 5. Grades 6-12 classes start at 7:30 AM. TK- 5 classes start at 8:05 a.m. Student schedules and class placements are available online in Illuminate. Students that are new to AAE for the 2019-20 school year will receive their schedules at New Family Orientation on August 1 at 3:00 PM. We urge everyone to check the school website for 2019-20 updates and resources.

Thank you for all of the never-ending support and involvement in your child's education. You make such a difference in our ability to succeed. Together, let's make it a great year!

Sincerely,

Valli Andreasen
