

Walk Off Grounds Form
2021-2022

My child, _____, may be released to walk off grounds after school. This form is in effect for the 2021-2022 School Year only.

I understand that the Academy for Academic Excellence is not liable for accident or injury occurring once my child has left the school campus. It is our policy that students should be picked up on campus and not on neighborhood streets that can be dangerous. We have established safe pick-up and drop-off zones for students on campus. Please use these areas.
