

Walk Off Grounds Form
2023-2024

My child, _____, may be released to walk off grounds after school via the Mana Road crosswalk. This form is in effect for the 2023-2024 School Year only.

I understand that the Academy for Academic Excellence is not liable for accidents or injuries once my child leaves the school campus. Our policy is that students should be picked up on campus and not on neighborhood streets that can be dangerous. We have established safe pick-up and drop-off zones for students on campus. Please use these areas.
