## General Information

### **Handbook Overview**

The purpose of the AAE Parent-Student Handbook is to give students and their parents/guardians an understanding of school expectations and policies as well as provide pertinent information. The handbook includes detailed expectations for student attendance, behavior and discipline, including policies and consequences for bullying and harassment, due process rights related to discipline (including suspension, expulsion, and special education), and a description of both informal and formal complaint procedures that parents may pursue in the event of disagreements. AAE annually updates the Parent-Student Handbook for distribution to families. Amendments to the handbook by AAE may be made throughout the year.

Every student and his/her parent or guardian is required to sign and return an Acknowledgement Form at the beginning of each academic year establishing that they have read and understand the expectations and policies.

## **Academics**

### **Academic Philosophy**

The Academy for Academic Excellence is committed to maintaining a relevant, rigorous college-preparatory education for all students.

### **National Honor Societies**

National Honor Society is a national organization and the local AAE Chapter has three levels: National Elementary Honor Society (NEHS) for grades 4-6, National Junior Honor Society (NJHS) for grades 7-9, and National Honor Society (NHS) for grades 10-12. Chapter membership not only recognizes students for their accomplishments, but challenges them to develop further through active involvement in school activities and community service.

The application process is held at the beginning of every school year. Membership at AAE is determined by self-selection in regards to the six pillars: scholarship, service, leadership, character, citizenship, and responsibility. If an applicant meets all the criteria for membership, submission of the application and payment of annual dues validates membership. Specific requirements will be included in the annual application instructions.

### **State Standards**

AAE utilizes the adopted State Standards in all content areas. Lessons and curriculum have been aligned to meet these standards. AAE regularly reviews its adopted curriculum through a review process that includes: needs assessment, selection, adoption, implementation, monitoring and review. When deemed necessary, new curriculum purchases are included in the annual LCAP and budget to ensure adequate funding for successful implementation.

### **Standardized Assessments**

AAE participates in the California Assessment of Student Performance and Progress (CAASPP) System. On January 1, 2014, California Education Code Section 60640 established the CAASPP System of assessments. The California Department of Education releases the 2022-23 Assessment System in the summer of 2022.

### **Academic Integrity Policy**

Academy for Academic Excellence values real mastery of subject content and has adopted high standards for honesty. Prohibited activities include:

- Cheating
- Plagiarism
- Forgery

Any student determined to have cheated, plagiarized, or committed forgery will be subject to consequences which may include, but are not limited to the following:

- Receive a zero grade on the assignment or test
- Receive a failing grade for the class
- Receive an opportunity to retake test or complete assignment honestly

Any student assisting in any of the above will also be subject to consequences. The instructor and administration will determine consequences based on the nature of the offense.

### **Cheating**

Cheating on an assignment or test robs a student of any inherent value of the assignment or test. In addition, cheating may unfairly affect other students by changing a grading scale or curve. The choice to cheat on an assignment or test may reflect more serious academic issues including fear of failure, an outside of school schedule that prevents the student from completing work, and/or incorrect class placement. Whatever the cause, students who engage in cheating compromise their integrity, dignity, and self-worth.

All assignments should be considered individual unless specifically stated by the instructor as otherwise. Cheating includes:

- Exchanging assignments with other students, whether you believe the assignment will be copied or not.  
Using any form of assistance during tests or quizzes without the expressed permission of the instructor.  
Giving or receiving answers during tests or quizzes. It is the student's responsibility to secure his or her own paper, thereby removing the opportunity for another to copy.
- Taking credit for group work when you have not contributed an equal or appropriate share toward the end result.  
Accessing a test or quiz to determine the questions prior to the administration of the test.

### **Plagiarism**

The ability to present thoughts and ideas clearly and coherently in a written form is a cornerstone of academic success. Plagiarism prevents students from developing the skills necessary for academic competence. Additionally, it prevents the instructor from providing appropriate feedback and assessment to assist the student in correcting any deficiencies in his or her writing.

All assignments must be written in the student's own words. Quotations, thoughts and ideas taken from another's writing must be given appropriate credit in the paper.

Plagiarism includes:

- Taking someone else's assignment, or portion of an assignment, and submitting it as your own
- Submitting material written by someone else, or rephrasing the ideas or thoughts of another, without giving the author's name and/or source
- Presenting the work of someone else, including tutors, friends, parents, or siblings, as your own
- Submitting purchased papers, in whole or in part
- Submitting papers from the Internet as your own, in whole or in part
- Supporting plagiarism by providing your work to others, whether you believe it will be copied or not

## **Forgery**

There are many times when a parent or legal guardian must sign school documents. Some documents become part of the official school record and some are returned to individual instructors. It is vital that every document possesses a valid signature. Forgery places a student in the position of having his or her integrity questioned, not just in the specific incident, but also in any situation that requires trust. Any documented incidents of forgery will be dealt with as a disciplinary issue.

## **AAE Grading Policies**

### **Grades Determined by Teacher**

As stated in California Education Code 49066, when grades are given for any course of instruction taught in a school district, the grade given to each pupil shall be the grade determined by the teacher of the course and the determination of the pupil's grade *by the teacher*; in the absence of clerical or mechanical mistake, fraud, bad faith, or incompetency, *shall be final*.

### **Challenging a Grade**

There are two conditions when a grade may be challenged:

- SBAC- We realize that there are times that students may not do well in the class but can perform well on the state assessment. If a student receives a "Proficient or Advanced" through SBAC testing, and has received an F for the corresponding course, the teacher may raise the grade to a C- at his or her discretion.
- Advanced Placement- Advanced Placement exam scores: If a 10<sup>th</sup>, 11<sup>th</sup> or 12<sup>th</sup> grade student passes an AP test with a score of 4 or 5, the student may then appeal to the teacher of that course to raise the second semester grade of the corresponding course one letter grade. If for some reason, the teacher is no longer available to contact, the grade given is final.

## **Elementary Academic Guidelines**

### **Elementary Grade Reporting**

To communicate the achievement of learning targets based on adopted State Standards, AAE elementary grades TK-5, use standards-based grading and reporting. Standards are the academic skills a child should be able to demonstrate proficiency in by the end of their current school year.

For each of the three reporting periods on the report card, the student will receive a proficiency level of a 1, 2, 3, or 4 based on evidence collected over a period of time. It is expected that students progress throughout the school year to eventually score a 3 or 4 by the end of the year.

### **Elementary Promotion and Retention**

Teachers will work closely with parents/guardians to determine the best academic placement for students. Each case will be considered individually and will take into account multiple factors to ensure the highest likelihood of future academic success.

**Middle School Academic Guidelines**

**Middle/High School Grade Reporting**

All secondary classes are awarded 5 units of credit for the successful completion of each semester. The one exception to this is homeroom, which is 2.5 units/credits per semester. All semester grades are recorded as a permanent record on the student’s transcript.

For the purposes of calculating a grade point average, the following applies:

<b>Unweighted GPA - Standard Course</b>	<b>Weighted GPA - Extra weight will be given to Honors, Advanced Placement, and VVC courses that are UC/CSU transferable.</b>
A = 4 points	A = 5 points
B = 3 points	B = 4 points
C = 2 points	C = 3 points
D = 1 point	D = 1 point
F = 0 points	F = 0 points

**MIDDLE SCHOOL COURSE REQUIREMENTS**

<b>Students must successfully complete the following requirements in order to be promoted to high school.</b>	
<b>Units</b>	<b>Subject/Course</b>
30	English Language Arts
30	Math
30	Science
30	History
30	Physical Education
30	Electives

8th-grade students who fail two or more academic classes during the second semester will result in student ineligibility for participation in the 8th-grade end-of-year recognition ceremony.

### **Middle School Promotion and Retention**

The AAE feels strongly that students should take ownership of their coursework. The following will serve as the guideline for repeating courses and/or a particular middle school grade level:

- If one core academic (English, Science, History, Math) is failed in a semester of the school year, the student will not receive credit for that semester of coursework, and may be required to attend summer school.
- If two or more core classes (English, Science, History, and Math) are failed in a semester, the student may be required to repeat the school year in the grade in which the courses were failed.
- Math courses are sequential and integrated in nature. If a student fails one or two semesters of a middle school math course, they may be required to repeat that course and/or attend a support class the following year. Students may be required to give up their elective class to repeat the course. Successful completion of Math 8 is required to enroll in high school math coursework.
- Core academic classes (English, Math, Science, and History) will have a grading scale of A, B, C and F. There are no grades of D in the grading structure.

Retention will be considered on an individual basis after thorough dialogue with parents, teachers, and administrators to determine the most appropriate course of action.

\*\*\*Seniors making up courses in summer school must be finished by August 1st of the graduating year in order to be issued a diploma.

### High School Promotion and Retention

Grade level promotion is based upon successful unit completion as outlined below:

- 10th Grade = 50 units
- 11th Grade = 110 units
- 12th Grade = 170 units

In order for a student to be considered in one of the above grades, that student must have at least the number of corresponding units. For example, to be considered a 10<sup>th</sup> grade student, a student must first complete 50 units of course work.

Retention will be considered on an individual basis after thorough dialogue with parents, teachers, and administrators to determine the most appropriate course of action.

### **High School Academic Awards**

Graduates of each graduating class will be honored as follows:

- Valedictorian and Salutatorian will have specially designated cords or ribbons
- Students with a cumulative weighted GPA of 4.0 or above through the first semester of the senior year will have gold cords.
- Students with a cumulative weighted GPA of 3.6 to 3.99 or above through the first semester of the senior year will have silver cords.

Each semester students will be recognized for their academic accomplishments for the previous semester as follows:

- Principal's Honor Roll = 3.6 GPA or above
- Honor Roll = 3.3 to 3.59 GPA
- In high school, an academic letter can be earned when a student earns a Principal's Honor Roll for two consecutive semesters. A chevron will be earned for each semester they are on Principal's Honor Roll thereafter.
- A Lamp of Knowledge pin may be earned for each semester that a 4.0 GPA is achieved.

The total cumulative weighted GPA will be used for the above awards. If a student believes he/she qualifies for an award listed above, they should contact the School Counselor.

### **Golden State Seal Merit Diploma**

To be eligible for the GSSMD, students (1) must be eligible to receive a high school diploma; and (2) must have demonstrated the mastery of the curriculum in at least six subject areas, as follows:

- English language arts/literacy (ELA)—students must have earned one of any of the following:
  - A grade of B+ or above (or numerical equivalent) in a single course (each semester) completed in grade nine or ten or eleven
  - An achievement level of "Standard Met" or above for the high school Smarter Balanced Summative Assessment
- Mathematics—students must have earned one of any of the following:
  - A grade of B+ or above (or numeric equivalent) in a single course (each semester) completed in grade nine or ten or eleven
  - An achievement level of "Standard Met" or above for the high school Smarter Balanced Summative Assessment
- Science—students must have earned one of any of the following:
  - An achievement level of "Standard Met" or above for the high school California Science Test taken in grade ten or eleven

- An grade of B+ or above (or numeric equivalent) in a single course (each semester) completed in grade nine, ten or eleven
- U.S. History—students must have earned one of any of the following:
  - A grade of B or above (or numerical equivalent) upon completion of the required U.S. history course (each semester)
  - A qualifying score that demonstrates mastery of the subject as determined by the LEA for an examination produced by a private provider or the LEA
- Two additional subject areas:
  - Any additional qualifying grade or score listed above, earned for the subject of ELA, mathematics, science, or U.S. history not already used to meet eligibility
  - A grade of B or above (or numerical equivalent) upon the completion of high school courses in other subjects
  - A qualifying score that demonstrates mastery of other subjects, as determined by the LEA, for an examination produced by a private provider or the LEA

### **Valedictorian/Salutatorian**

The valedictorian and salutatorian are designed to recognize the highest achieving students in each graduating class. The following criteria will be considered for the selection of each:

1. Total Weighted GPA 9-12 – the student is in the top five (5) of the class when ranked according to the total cumulative weighted GPA, based on the first seven semesters of high school, otherwise defined as through the first semester of the student’s senior year of high school.
2. Academic Rigor - the student has engaged themselves in an academically challenging course of study and continued to enroll in a rigorous course of study for their senior year. Candidates will be evaluated based on the total number of honors, Advanced Placement (AP), and college courses taken during the first seven semesters of high school. Candidates that earn the California State Seal of Biliteracy, Golden State seal, Tri-M Music seal, National Honor Society seal, or the AP Capstone diploma will be given additional consideration.
3. School Involvement – the student has been involved in on-campus activities through their high school career. Additional consideration will be given to activities in which the student held a leadership capacity:
  - a) School Sponsored Club: either for multiple years (two or more) with the same club or with multiple clubs (at least two) or
  - b) Sports: either one sport for multiple years (two or more) or with multiple sports (at least two) or
  - c) Visual and Performing Arts performance groups (two years or two different groups)
4. AAE Code – the student has demonstrated Courage, Generosity, and Honor.

5. Additional consideration will be given to students who complete all high school core classes at the AAE.

Recommendations and announcement of students being honored will be brought forward as follows:

- 1) School Counselor will identify the top five (5) students in the graduating class ranked by total cumulative weighted GPA and give the list of the candidates to the administrative team.
- 2) The administrative team consisting of the TK-12 Principal and the MS/HS Vice Principal will then determine the Valedictorian(s) and Salutatorian(s).
- 3) School officials reserve the right to rescind the offer of this honor due to a breach of the above criteria in the final semester of the student's senior year.
- 4) The principal will have final say as necessary.

### **Course Changes**

Students and their parents are encouraged to carefully select classes in the Spring for the following school year. We realize that academic plans and goals change and therefore students may need to make course adjustments. However, we also recognize the need for continuity in classroom instruction. In trying to balance the two issues, the following course change procedure will be in effect.

1. Student or parent initiated course change requests will only be considered during the first two weeks of the semester. After this time, course changes will only be made to address academic concerns.
2. Course changes will only be made for academic or medical reasons. Requests to be placed in different courses based on personal preference (i.e. being with a friend), will not be honored.
3. Classes dropped after the 4th week of the semester will result in the student receiving an F for the entire semester in that class. This does not apply to level changes initiated by AAE staff for proper academic placement.
4. In general, courses at AAE are considered to be year long in nature. As a result, approval for second semester changes will only be considered for the purpose of addressing academic or medical concerns.

Due to the infrastructure of our school as it relates to facility size and staffing plans, students will be allowed to take a core academic course (other than math or science) only one time. If a student fails to pass a core academic class necessary for graduation, he/she must pursue summer school options in order to fulfill that requirement. Please see the School Counselor for information on making up necessary courses.

### **Transfer Credits**

The Academy for Academic Excellence is fully accredited by the Western Association of Schools and Colleges (WASC). We will gladly accept credits from any WASC accredited school with the following conditions:

1. Summer school at a local high school is for makeup of failed classes only, not for advancing in core curriculum.
2. Victor Valley College or another college is the appropriate avenue for advancing in coursework related to high school graduation. All coursework must be completed prior to the time the student would normally be scheduled for the class.
3. Any exceptions must be submitted in writing to the administration for consideration.

**College Credit Acceptance Policy**

Beginning with the Class of 2024, the AAE’s policy for accepting credit earned at a community college shall be as follows:

- When a student chooses to submit college coursework for high school credit, all coursework listed on the student’s college transcript must be added to their high school transcript in its entirety.
- All coursework submitted for high school credit and inclusion on the student’s high school transcript shall qualify as a general education applicable course. The AAE will use the University of California’s IGETC (Intersegmental General Education Transfer Curriculum) list of courses for the determination of applicable courses. The administration reserves the right to accept additional courses not on the IGETC list on a case-by-case basis.

**Concurrent Enrollment**

Concurrent Enrollment is a program provided by the community college system that allows students to be concurrently enrolled in college courses while still attending high school. Concurrent Enrollment is a privilege and a wonderful opportunity provided to AAE students and must be handled responsibly. The purpose of the program is to provide:

- An opportunity for a student to be challenged by college-level coursework
- An opportunity for students to be better prepared for transition into the college atmosphere

Please view in the 2020-2021 High School Course Catalog for a more detailed explanation of the opportunities and responsibilities involved with the concurrent enrollment program or see a member of the AAE Student Services staff.

**A-G Requirements**

University of California (UC) and California State University (CSU) Entrance Requirements are as follows:

<b>Subject Area</b>	<b>UC / CSU Entrance Requirements</b>
Social Science (Area - A)	<b>2 years required (3 years recommended)</b> World History - 1 yr

	<p style="text-align: center;">US History - 1 yr <b>OR</b> World History - 1 yr US History - ½ yr / American Government. - ½ yr</p>
English (Area - B)	<b>4 years required</b>
Mathematics (Area - C)	<p style="text-align: center;"><b>3 years required</b> <b>(4 years recommended)</b></p> <p style="text-align: center;">College-prep mathematics that includes the topics covered in elementary and advanced algebra and 2D/3D geometry. Approved integrated math courses may be used to fulfill part or all of this requirement</p>
Science (Area - D)	<p style="text-align: center;"><b>2 years required</b> <b>(3 years recommended)</b> 2 years of lab science</p>
LOTE (Area - E) Language Other Than English	<p style="text-align: center;"><b>2 years required</b> <b>(3 years recommended)</b></p>
VPA (Area - F) Visual or Performing Art	<p style="text-align: center;"><b>1 year required</b></p> <p style="text-align: center;">VPA courses such as art, drama/theater, music, dance, or video</p>
Electives (Area - G)	<p style="text-align: center;"><b>1 year required</b> Any additional UC approved course</p>

AAE's UC approved course list is located on the AAE website at:

<http://aae.lewiscenter.org/School/Student-Services/Counseling/UC-Approved-A-G-Courses/index.html>

College entrance requirements are available in the College Planning Guide located at:

<http://aae.lewiscenter.org/School/Student-Services/Counseling/College-Planning-Guide/index.php>

This catalog also includes grade level information, entrance exam information for the SAT/ACT, and important websites such as UC and CSU that will help in finding a college and pursuing financial aid.

### **Transfer Students**

When a student comes in after the fourth week of a semester, it becomes increasingly difficult for a teacher to adequately assess learning. Students who transfer in after four weeks should either

have a transfer grade from the previous school or be aware that makeup work will be at the discretion of the teacher. If there are no transfer grades, the possibility exists that no credit may be earned for the semester. The longer the time period in which there is no record of learning, the more likely that there would be no credit for the class.

### **Grad Night Requirements**

In an effort to ensure greater opportunity for students to meet the Academy for Academic Excellence's high school graduation requirements, and to participate in commencement exercises, there will be an academic requirement regarding Grad Night. All students must be considered in good standing, and passing all classes necessary for graduation, in order to be eligible for participation in Grad Night. Purchased tickets will not be refunded.

### **Early Graduation**

Under certain circumstances, a student may be eligible to graduate mid-term during senior year. Students must notify in writing and receive permission from the Counseling office by June 1st of their junior year of their intent to graduate early during their senior year. Students who graduate early are not eligible for participation in second semester sports or extracurricular activities. They will also not receive consideration for Valedictorian or Salutatorian.

## **ATHLETICS**

### **Philosophy**

The philosophy of the Academy for Academic Excellence Athletic Department is to pursue victory through Courage, Generosity and Honor. Our goals are to teach student athletes how to work together in knowledge and ability and to show students that physical activities are a vital part of a balanced lifestyle.

### **Goals**

- Provide opportunities to develop proper attitudes toward winning and losing and competing along with teammates toward a common goal.
- Encourage development of character qualities, including self-control, responsibility, accountability, and learning by setting and realizing goals.
- Foster a healthy and realistic self-concept through physical activity in interscholastic sports.
- Promote school spirit and sense of pride among students.

### **Scholar Athlete**

Playing interscholastic athletics is a privilege, and will never be given priority over academic activities. Students, therefore, are responsible for maintaining a high standard of academic performance while participating in the AAE's athletic program.

- Students will be evaluated for athletic eligibility at the conclusion of each grading period to determine if they have maintained the grade requirements.
- A student is scholastically eligible if:

- o The student is currently enrolled in at least 20 semester units of work.
- o The student is passing in the equivalent of at least 20 semester units of work at the completion of the most recent regular grading period.
- o The student is maintaining a minimum progress toward meeting the high school graduation requirements as prescribed by the governing board.
- o The student has maintained, during the previous grading period, a minimum 2.3 grade point average on a 4.0 scale in all enrolled courses.
- Student will be allowed to miss practices for academic tutoring or other mandatory appointments of an academic nature, provided such appointments are pre-arranged with coaches and/or Athletic Director.
- Students must attend their scheduled classes in order to participate in an athletic event. Special circumstances (i.e. doctor appointment, dentist appointment) will be reviewed by the athletic department in order to grant permission to play. Students who are absent for the entire day without a valid excuse will not be allowed to participate in that day's practice or game. If the coach is not aware of the unexcused absence and the student participates in that day's practice or game, the student will not be allowed to participate in the next regularly scheduled game.

### **Equipment/Uniforms**

- All students are responsible for equipment and uniforms issued to them and must replace any equipment or uniforms damaged in a manner other than normal wear or damage caused by normal play.
- All students must turn in all school-owned equipment and uniforms before being eligible for another sport.

### **Participation**

- Participation in the AAE's Athletic Program is defined as "being an active, eligible member of one of the many teams that are sponsored by the AAE." There are no guarantees as to actual playing time, or number of games played.
- It is expected that a student attends all practices and games. If a student attends school on a given day, he/she is expected to attend practice on that day, if one is scheduled.
- Excused absences include illness, medical or dental appointments, academic tutoring, or other valid reasons that the AAE deems "excused."
- ***Students and parents are encouraged to schedule vacations, medical appointments, etc. at times that will not conflict with the athletic schedules or classes.***
- A student must be in attendance at school for their scheduled classes or they may not participate in practice/game on that day.
- Unexcused absences, tardies and truancies will result in loss of playing time as determined by school administration and/or the coach. Recurring unexcused absences may ultimately lead to dismissal from the team.
- If a student reaches 13 or more absences during the school year, he/she may be removed from their respective team.

### **Athlete Dress Code On Game Days**

In an effort to strengthen school spirit and increase the visibility of our student athletes on campus; the Athletic Department has decided on the following dress code. This dress code will apply to student athletes of all levels (Middle School, Junior Varsity and Varsity). Student athletes must follow this dress code on the day of scheduled home and away games, matches, and meets.

The following may be worn on game days:

- ✓ Athletic Department issued team uniform top with school approved uniform bottom.
- ✓ School issued team warm ups.
- ✓ Closed toed athletic shoes must be worn
- ✓ Blue jeans may only be worn on Fridays with Athletic Department issued team uniform top or spirit pack appeal (t-shirt or sweatshirt).

### **Physicals**

- Every student who has a desire to try out for any sport **MUST** have a current physical on file in the Athletic Office.
- Physicals stay current for a period of one (1) calendar year.
- Student must obtain a physical from his/her own physician and bring confirmation, as well as the completed sports packet, to the Athletic Office **PRIOR** to trying out for any sport.
- Sports packets are available in the Athletic Office.

### **Transportation**

At times, the AAE will provide transportation to athletic competitions. If there are circumstances that a child has to take alternative transportation from an athletic event, other than the bus, they must fill out a form with the coach or Athletic Director.

When parents are providing transportation to events for other students, they must follow these guidelines in order to be an approved driver through Lewis Center's HR Department (M Bldg):

- Be a minimum of 25 years old
- Show proof of insurance (\$100,00/\$300,000)
- Obtain volunteer DOJ fingerprint clearance
- Provide a DMV driver record
- Not have any felony driving convictions
- Turn in an accurate and complete Off-Site Form (can be obtained from the Athletic Office) to the CDO in the Kiosk prior to leaving AAE
- Follow all applicable vehicle laws including seat belt laws

If these procedures are not followed, consequences may include forfeiting that game. It is vitally important that we protect the safety of our students.

## **Attendance**

### **Attendance and Tardy Policy**

Regular attendance is essential to any school. We require every parent to support the AAE by bringing his or her students on time each and every day. Students who arrive on time are better prepared to master the material provided by the instructor and consistently perform higher than those who come late or are habitually absent. In addition, consistent tardiness and absences affect our school monetarily. All schools in California are compensated based on their attendance (Actual Daily Attendance). The state does not recognize excused absences and does not compensate the school for students who do not attend, for any reason. Unfortunately, our operating costs are unaffected by attendance – it costs us the same to operate each day, regardless of the number.

Students are expected to attend all classes and be on time unless properly excused. The AAE requests that appointments be scheduled after school, if possible. If an appointment must be scheduled during school hours, please schedule it at a time where the student can still attend a portion of the day. Students with a doctor/dentist appointment need to attend school that day, before or after the appointment.

Students who are absent from school for any reasons provided in Ca. Ed. Code 482015 are not in violation of the compulsory attendance law upon verification by the school of the reason for the absence. This regulation states a student may be excused legally from school when the absence is due to:

The State of California (46010, 46010.5, and 48205 Ed Code) has determined that excused absences are limited to the following reasons:

1. Personal illness or injury
2. Quarantine under the direction of a county or city health officer.
3. Medical, dental, optometric, or chiropractic services rendered.
4. Attendance at funeral services for a member of the immediate family (1 day in state, 3 days out of state).
5. Jury duty in the manner provided by law.
6. Pupil is custodial parent of a child who is ill or has a medical appointment during school.
7. Exclusion for failure to present evidence of immunization (Ed. Code 48216).
8. Pupils in grades 7-12 who leave school (with prior approval of the Principal or his/her designee) to obtain confidential medical services. The pupil should return a copy of the medical professional's appointment verification form.
9. Time for a student to spend with a family member who is being deployed or returning for deployment.
10. Attendance at self/family naturalization ceremony.
11. Upon written request of the parent or guardian and approval of the Principal or his/her designee and pursuant to board policy, a student's personal justifiable absence may be excused. Reasons include, but are not limited to:
  - a. Appearance in court.
  - b. Observation of a holiday or ceremony of his/her religion.

- c. Attendance at religious retreats not to exceed four (4) hours per semester.
  - d. Employment interview or conference. Attendance at funeral services (for other than the immediate family).
12. Participating in a cultural ceremony or event.

### **Verifying Absences**

To report an absence, a parent must send a note to school, e-mail to [aaeattendance@lcer.org](mailto:aaeattendance@lcer.org) , or call in to our absence verification phone line at (760) 946-5414 ext. 253.

- Absences should be verified within 24 hours.
- Parents/Guardians have 10 school days to verify the reason for absences to make it excused, after which it will require a doctor's note.
- Doctor appointment absences require a doctor's note for excused absence.

Absence verification needs to include:

- Full name of student
- Date(s) of absence
- Specific reason of absence
- Name and/or identity (i.e. mother or father) of person providing the information

Three (3) or more days for personal illness or injury require a doctor's note for an excused absence.

### **Truancies and Unexcused Absences**

Reasons NOT acceptable for being absent from school and are considered truancies per California Education Codes 46010 & 46010.5:

1. Oversleeping/alarm clock not working
2. Repairing car or household items
3. Going to the beach, lake, river, mountains or desert, family vacations or reunions
4. Visiting friends, baby-sitting, taking care of other family members
5. Personal problems
6. Bus not available/missing bus/lack of transportation
7. College courses taken during school hours
8. DMV or Driver Training appointments
9. Going to work; including with parent or other family member
10. Any reason not covered in the excused list

Students, who are absent for any of the reasons listed above, will receive an unexcused absence.

### **Late Sign In/ Early Sign Out**

#### **Late Sign In**

- Students arriving after the start of school must check into the attendance office in the Technology Building before proceeding to class.

- In order for a tardy to be excused, either a note from a parent/guardian must be provided or a parent/guardian must be present at sign in and state a valid excuse on the sign in sheet (see list below).
- Once signed in, the student will receive a tardy slip and may then proceed to their assigned classroom.

Acceptable excuses for late arrival:

- Illness
- Visitation to a medical office, clinic, doctor or dentist (note required from office)
- Funeral of an immediate family member
- Quarantine of the home
- All other excuses are not acceptable and will result in an unexcused tardy

At 15 tardies or unexcused early releases, all privileges to attend extra-curricular activities are suspended through the end of the semester, including Athletics, Cheerleading, ASB, Band, Choir, Senior Activities, dances, and elementary after-school electives.

### **Early Sign-Out**

- Only authorized adults (listed on the emergency card) with photo ID can sign out a student at the attendance office.
- For student safety, students will not be released from class until the parent arrives on the school campus or has made prior arrangements with the attendance office via e-mail.
- Students who are not 18 years of age cannot sign themselves off campus without written permission from their parent/guardian. A note or email must be received from their parent with a valid phone number where they may be reached. Students may leave once parent contact has been made.
- In order to ensure an orderly and safe dismissal for all students, we are unable to accommodate requests to checkout students within 30 minutes of dismissal times. On a regular school day, early release requests are accepted up to 2:25pm for grades TK-5 and 2:54pm for grades 6-12. On early release days, we will accept early release requests up to 1:25 pm for grades TK-5 and 1:48pm for grades 6-12. If a parent has an emergency situation, we will make every effort to get a student to the Attendance Office for early release.

Acceptable early sign-out excuses:

- Illness when approved through the health office
  - Students are to visit the health office for evaluation when requesting to leave campus due to illness/injury.
  - Students will only receive an excused early release if sent home directly from the health office.
  - Students who leave campus through attendance without approval from the health office will have the remainder of the day's attendance be marked as unexcused.
- Visitation to a medical office, clinic, doctor or dentist (note required from office)
- Funeral of an immediate family member (documentation requested)
- Quarantine of the home

- School sponsored events
- Jury duty
- Religious event (up to 4 hours per semester)

### **Makeup Work**

- Students are responsible for work missed while absent.
- The instructor can assist the student in obtaining a list of class assignments that need to be completed in a timely manner.
- Students who are absent should be proactive in finding out from their instructor(s) what was missed during their absences from school.
- Generally speaking, there is one day granted for each day of an excused absence in order to turn in the makeup work in a timely fashion.
- Please discuss make up work options with your instructors.

In the case of planned absences, please note the following:

- If you must pull your child from school for time periods other than the scheduled school holidays, please notify your child's teachers at least 3 days in advance to give the teachers time to put work together.
- If arrangements are made in advance to collect work to be done while the student is gone then that work is due the first day the student returns to school. Teachers may opt to not give work before the student leaves, but assign it after the student returns.
- If a student is pulled out of school for unexcused absences, after school tutoring to make up missed in-class instructions may not be available and some of those in-class assignments may carry a grade of zero.
- Students who are also out with unexcused absences on days when there is a quarter assessment or semester final may not be able to make up that assessment and their grade may be negatively impacted.

### **Perfect Attendance**

Perfect Attendance recognition has been suspended and will be evaluated before being resumed in the future.

### **Student Attendance Review Team**

Irregular attendance including but not limited to excessive early sign outs, tardies and/or absences are grounds for referral to the Student Attendance Review Team (SART). A maximum of twelve (12) absences per year (both excused and unexcused) are allowed. Any more than twelve (12) absences per year will be deemed excessive and grounds for Administrative Review.

### **Home Hospital Instruction**

If a student will be absent for an extended illness of more than two weeks, the parent must contact the Attendance Clerk and see the School Counselor for a homebound hospital packet. Arrangements will be made for a home instructor. Home instructors are only assigned if the absence is two weeks or more and there is a doctor's statement describing the illness or disability as well as the anticipated duration of the illness. Home Hospital instruction is a short-term

option. If the condition persists for more than one quarter, alternate solutions should be explored.

## **Health Services**

### **Health Office Overview**

The Lewis Center employs a full-time Credentialed, Registered Nurse to oversee the health needs of both campuses (AAE and Norton Science and Language Academy). The LCER District Nurse is assigned to AAE four days a week. In her absence or when she is serving our other campus, a Licensed Vocational Nurse or other medical trained personnel will provide services.

The health office, located in the E-building, has a rest area to care for students for a short period. If a student is feeling ill and cannot remain in their classrooms, students should request a pass to the "Health Office". Upon arrival, the student will be assessed and the determination will be made if the student should be sent home or not. *Students should not call their parents to pick them up without coming to the Health Office first.* Please emphasize to your child that ANY INJURIES that happen on campus MUST be reported to an adult. We cannot provide first aid, call for assistance, or notify you if we are not informed or made aware of the situation.

Please contact the nurse at ext. 298 with any questions or concerns regarding your student's health or safety.

### **Fever and Sick Guidelines**

Should your child exhibit signs and symptoms of illness that include any of the following: fever (>100), vomiting, diarrhea, unexplained skin rash or general malaise, please do not bring your child to school. If your child exhibits any of these symptoms at school, we will attempt to contact you to have the child picked up from school. They will not be permitted to return until they are free of fever, diarrhea, and/or vomiting for 24 hours without the need to use fever-reducing medicine.

If we are unable to make contact with the student's parents/guardians or other emergency contacts, school staff will call 911 if determined necessary. Please make sure that your emergency contacts are kept up-to-date.

### **Health and Safety Policy for COVID-19**

Please visit our website for all COVID-19 School Information:

### **Contagious Diseases**

AAE staff makes every effort to ensure a healthy school environment. In the case of suspected or confirmed case of contagious disease, the school nurse and administration will work closely with the San Bernardino County Public Health Department. Together, we will monitor any outbreaks and notify parents as directed.

### **Injury Reporting**

The school nurse is to be notified in the event of a serious injury. If the nurse is not available, staff will use school emergency guidelines and good judgment to determine appropriate steps and safeguards. If medical assistance is needed, 9-1-1 will be called. Parents/legal guardians will be notified in the event of an emergency.

### **Immunization Requirements**

California law requires students to be up-to-date on all their necessary immunizations in order to enroll in school. Effective January 2021, SB 277 went into effect stating medical exemptions can only be issued through the California Immunization registry- Medical Exemption website (CAIR-ME) by physicians licensed in California. Previous waivers will be honored until the student enters the next grade span (TK, K-6, 7-12). At that time students must be up to date on immunizations.

NO SHOTS - NO SCHEDULES - NO SCHOOL For more detailed information see:

AAE adheres to Education Code Section 49450, et seq., as applicable to the grade levels served by AAE. Students are screened for vision and hearing in grades TK, K, 2, 5, 8 and upon referrals from teachers or for special education assessment purposes.

### **Emergency Cards**

California Education Code 49403 requires that all parents submit an emergency card with information as to home phone, work phone, emergency contacts, etc. *It is vital that we receive this information at the start of each school year and whenever information changes.* Without an up-to-date emergency card on file, (if your student is injured or ill), we may have to call 9-1-1 for treatment at your expense. Please include at least 2-3 local numbers of persons who could care for your student if you are not available. The student emergency card is a vital piece of information in determining who to call for student pick-up; therefore, please keep it current by calling or coming into the registrar's office to make any changes.

### **Medications at School**

School personnel will dispense medications to students only as prescribed (by a physician and authorized by the parent/guardian) during the school day in order for them to be able to attend school.

Please be aware that the above regulations must be followed if your student is to receive medications at school. Additionally, the following apply:

1. A child in elementary school must never transport medications. Parents/guardians are responsible for bringing medication to school and taking it home.

2. School personnel will give only prescribed doses at prescribed intervals. They will not cut or break medications if the pill comes in a larger dose. Please inform your pharmacist and doctor of this.

3. All medications are kept in a locked area and dispensed by trained, but unlicensed, school personnel if the nurse is not available. If this is not acceptable to you, then you or your designee may come to the school and give the medication.

### **Anaphylaxis Treatment Notification**

California Education Code 49414 authorizes school districts to provide epinephrine auto-injectors to trained personnel to use to provide emergency medical aid to persons suffering from an anaphylactic reaction. SB 1266 requires schools to provide emergency epinephrine for individuals who may be experiencing anaphylaxis.

### **Diabetes**

The school nurse provides an information sheet regarding Type 2 diabetes to the parent/guardian of incoming 7th grade students, pursuant to Education Code Section 49452.

### **Feminine Hygiene Products**

AAE will stock at least 50% of its restrooms with feminine hygiene products, and shall not charge students for these products, pursuant to Education Code Section 35292.6. Products are also available in the Nurse's Office.

### **Medications**

School personnel will dispense medications to students only as prescribed (by a physician and authorized by the parent/guardian) during the school day in order for them to be able to attend school without jeopardizing their health. *This includes "over the counter" medications* (Education Code 49423). Exceptions: sunscreen, lip balm, cough drops, hand lotions or body creams, non-medicated eye or contact solutions.

If you wish us to give your student any new medications and/or you request that we give necessary medication ordered previously, **you must fill out a medication form**, which can be found in the school office or now on line under the AAE/Nurse's Corner/Ready for school. **This must be done EVERY SCHOOL YEAR.**

### **Medical Emergencies**

For serious injury or illness, school staff will call 9-1-1. In an emergency, the responsible school nurse or administrator will be notified and take charge upon arrival. The responsible school nurse, administrator, or a designated employee will notify the parent/legal guardian as soon as possible to determine the appropriate course of action. If we are unable to make contact with the student's parents/guardians or other emergency contacts, appropriate course of action may be determined by Emergency Medical Services (EMS). Please make sure that your essential emergency contacts are kept up-to-date.

For those experiencing sudden cardiac arrest, Automated External Defibrillators (AED) can be found on campus at the following locations:

- Gym (center hallway)
- Elementary North (office by door)
- Attendance Office (at counter)
- N Bldg (front entrance)
- South Elementary (computer lab by entry)

### **California Healthy Youth Act**

For more information about the California Healthy Youth Act, contact the principal.

## **Student Discipline**

### **Student Expectations**

AAE has developed and maintains a current and comprehensive set of student expectations and discipline policies. Together AAE students, parents, and staff exemplify the highest standards of behavior and work ethics to ensure continued excellence. Every student and his /her parent/legal guardian is required to sign an Acknowledgement Form at the beginning of each academic year establishing that they have read and understand the expectations and policies.

### **Uniform Dress Code**

Research has shown that schools with an adopted uniform policy show improved academics and fewer behavioral violations. The purpose of a uniform dress code is to ensure student safety, assist students in wearing modest clothing, and protect the academic integrity of the school.

In keeping with our status as a research-based laboratory school, the school administrative team and the School Site Council have developed the following uniform dress code policy with feedback from staff, parents, and students.

### **Suspension and Expulsion**

This Pupil Suspension and Expulsion Policy has been established in order to promote learning and protect the safety and well being of all students at AAE. A complete copy of AAE Student Discipline Policy is available upon request at the AAE Principal's office. In creating this policy, AAE has reviewed Education Code Section 48900 *et seq.* which describes the non-charter schools' list of offenses and procedures to establish its list of offenses and procedures for suspensions and expulsions. The language that follows closely mirrors the language of Education Code Section 48900 *et seq.* AAE is committed to annual review of policies and procedures surrounding suspensions and expulsions and, as necessary, modification of the lists of offenses for which students are subject to suspension or expulsion.

When the Policy is violated, it may be necessary to suspend or expel a student from regular classroom instruction. The AAE's policy and procedures for student suspension and expulsion may be amended from time to time as needed. AAE staff shall enforce disciplinary rules and procedures fairly and consistently among all students.

Corporal punishment will not be used as a disciplinary measure against any student. Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A student identified as an individual with disabilities or for whom AAE has a basis of knowledge of a suspected disability pursuant to the Individuals with IDEA or who is qualified for services under Section 504 is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to general education students except when federal and state law mandates additional or different procedures.

### **Bullying**

Academy for Academic Excellence recognizes the harmful effects of bullying on student learning and school attendance and desires to provide a safe school environment that protects students from physical and emotional harm.

Bullying is defined as any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act. Bullying includes one or more acts committed by a student or group of students that may constitute harassment, sexual harassment, hate violence, or creates an intimidating, threatening and/or hostile educational environment, directed toward one or more students that has or can be reasonably predicted to have the effect of one or more of the following:

- Causing a reasonable student to experience a substantially detrimental effect on his or her physical or mental health
- Causing a reasonable student to experience a substantial interference with his or her academic performance
- Causing a reasonable student to experience a substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by AAE

Cyberbullying includes the electronic creation or transmission of harassing communications, direct threats, or other harmful texts, sounds, or images on the Internet, social media, or other technologies using a telephone, computer, or any wireless communication device, as defined in Education Code 48900. Cyberbullying also includes breaking into another person's electronic account and assuming that person's identity in order to damage that person's reputation.

Strategies for addressing bullying are developed with involvement of key stakeholders, including students, parents/guardians, and staff.

### **Prevention**

AAE will focus on the prevention of bullying by establishing clear rules for student conduct and implementing strategies to promote a positive, collaborative school climate. Students will be informed of school rules related to bullying, mechanisms available for reporting incidents or threats, and the consequences for engaging in bullying.

As appropriate, AAE will provide students with instruction, in the classroom or other educational settings, that promotes social-emotional learning, effective communication and conflict resolution skills, character/values education, respect for cultural and individual differences, self-esteem development, assertiveness skills, and appropriate online behavior.

### **Intervention**

Students are encouraged to notify school staff when they are being bullied or suspect that another student is being victimized. Threats or incidents may be reported confidentially and anonymously through WeTip.

### **Reporting and Filing of Complaints**

Any student, parent/guardian, or other individual who believes that a student has been subjected to bullying or who has witnessed bullying may report the incident to a teacher, the principal, a compliance officer, or any other available school employee.

### **Investigation and Resolution of Complaints**

Any complaint of bullying against a student who is of a protected characteristic, actual or perceived, as defined in the LCER's Uniform Complaint Procedures, shall be investigated and, if determined to be discriminatory, resolved in accordance with law and the LCER's Uniform Complaint Procedures.

If, during the investigation, it is determined that a complaint is about nondiscriminatory bullying, the principal or designee shall inform the complainant and shall take all necessary actions to resolve the complaint.

### **Discipline**

Corrective actions for a student who commits an act of bullying of any type may include counseling, behavioral intervention and education, and, if the behavior is severe or pervasive as

defined in Education Code 48900 may include suspension or expulsion in accordance with AAE policies and regulations.

### **Cell Phone and Smartwatch Policy**

The AAE recognizes the potential for cell phones, smartphones, pagers, and electronic signaling devices (referred to collectively as “private devices”) to disrupt the learning environment. Students who possess these private devices must keep them silenced and out of view during class time. Teachers, administrators, and staff will confiscate any private devices used by a student in violation of this policy.

All students are required to adhere to the following guidelines regarding private devices:

Private devices may be used:

- Before and after school
- Between class periods or during lunch
- In the case of an emergency, or in response to a perceived threat of danger.
- When a staff member grants permission to a student to possess or use a private device, subject to any reasonable limitation imposed by that staff member.
- When a licensed physician or surgeon determines that the possession or use of a private device is necessary for the health or well-being of the student.
- When the possession or use of a private device is required in a student’s individualized education program (“IEP”).

Private devices shall be put away and not used:

- During class time, assemblies, and any other school activity, which takes place during the regularly scheduled school day.

Possession of private devices is a privilege, which may be forfeited by any student who fails to abide by the terms of this policy. All employees shall remove any private device from the possession of a student found to be violating this policy. If a private device is heard ringing, beeping, or buzzing from inside a jacket, purse, backpack, or other similar article, whether within the immediate presence of the student or not, a staff member may remove the private device and confiscate the private device. Parents/guardians will be contacted to pick up any confiscated private devices.

All other applicable student discipline policies shall continue to apply in response to a student failing to abide by the terms of this policy. Notwithstanding any other school policies on searches in general, absent reasonable suspicion of wrongdoing with the device beyond merely possessing it or having it turned on or out in the open, staff may not search any personal devices without the express authorized consent of the student and the student’s parent or legal guardian. Students who possess a private device shall assume responsibility for its care in accordance with this policy. At no time shall the school be responsible for preventing theft, loss or damage to private devices brought onto campus.

## **Campus Safety**

### **School Safety Plan**

Academy for Academic Excellence has a Comprehensive School Safety Plan, which is reviewed and updated annually. The staff at the school are familiar with the plan and trained in emergency procedures. Students participate in scheduled emergency evacuation and lockdown drills.

Please remember, do not park in the fire lane, behind other cars, or block emergency access areas. If an emergency does occur, we will use the Emergency Information Card as your instructions to us as to whom we should release your child to, whom to call, any special needs your child might have, etc. The emergency card is vitally important and should have current information at all times. Please keep your Emergency Information Cards up to date and notify us of any changes.

### **Campus Visitor Policy**

- The AAE visitor policy has been established for visitors wishing to visit campus:
- All visitors must check in at the front kiosk. A “Visitor Pass” will be issued by the kiosk or reception. The Visitor Pass must be worn for the entire visit.
- Former AAE students must have approval from the Principal at least 24 hours in advance and must have an appointment with a specific staff member. Former student visits will be limited to 30 minutes during the school day.
- Visitor Parking – a CDO will direct all visitors to designated parking areas.
- The Principal has final discretion regarding visitors.
- Parents are always welcome at AAE. However, we ask that you make an appointment to meet with a teacher or visit a classroom with 24-48-hours notice.
- Friends and relatives are not permitted to come to school with students or staff. Under special circumstances, exceptions can be made with an administrator’s authorization. This request must be made at least 24- 48 hours prior to the visit.
- Please see our office receptionist if you wish to have items (lunch, lunch money, projects, homework, etc.) delivered to your child during the school day. We will deliver these items to your child or have your child pick them up at the office at the least disruptive time for both students and staff. Balloons, flowers, gifts, etc. cannot be delivered to students until the end of the last period, due to the disruption it causes to the classroom.
- Under NO circumstances may parents enter the school grounds and confront an adult or child concerning a personal, or school problem. If you need to meet with a teacher, counselor, or administrator, please make an appointment. Disruptive visitors will be asked to leave the premises and, if necessary, be issued an ouster notice and/or law enforcement called.

### **Closed Campus**

The Academy for Academic Excellence is a closed campus. This means that students are not permitted in unauthorized areas or to leave campus from the time they arrive on campus until the time they complete their last scheduled class. Students will not be permitted to return to campus after their last scheduled class unless it is for a school function or with prior approval from the school administration. Leaving the campus without prior approval from the school, for any

reason, is a violation of this closed campus policy. Any student who leaves the campus at any time during the day, without prior approval being granted from the school administration may be subject to a disciplinary consequence for closed campus violation. Students will only be released to those adults authorized on a child's emergency card.

### **Bicycles, Scooters, and Skateboards**

All students must not ride while on campus and must have proper safety gear. California Vehicle Code Section 21212(a) requires anyone under the age of 18, who is riding a bicycle, skateboard, or scooter on any roadway, sidewalk, bike path or trail to wear a properly fitted and fastened bicycle helmet.

Students must lock their own bicycles, scooters, or skateboard to the racks with a quality lock and chain or cable. The bicycle racks are located on the left side of the Kiosk as you enter the school from Mana Road. Students may not ride on school grounds at any time.

## **Additional Information**

### **Photo Release/Yearbook**

Upon enrollment, parents/legal guardians have the opportunity to indicate that they do not want photos of their student taken or released. If you indicated that, please be advised that this does not apply to the school yearbook. If you choose to not have your son/daughter's picture in the yearbook, please submit that request in writing to administration so that it will be forwarded to the respective yearbook advisor.

### **Personal Property**

Students who bring personal property onto campus do so at their own risk. AAE will not be held liable for lost, damaged or stolen items.

### **Computer Use**

In order to facilitate academic research endeavors, the Lewis Center for Educational Research provides restricted internet access. While the benefits gained from this service are clearly enormous, there is the potential for abuse. In order to continue this service, we ask that all students, staff, and visitors sign a "Internet User Policy" wherein they agree to access only academically appropriate programs, material, and content. Failure to abide by this agreement may lead to disciplinary action.

### **Lost and Found**

The Lost and Found for TK-2 is located in the Elementary Courtyard and 3rd-5th is located in the Ball Closet. The Lost and Found for Middle School and High School is located in Building C. All lost and found items will be donated to a local charity on last day of school before each break. Please retrieve any lost items before then.

## **Student Drivers**

The AAE allows students who have their California Drivers License to drive to and from the campus. These students must first apply for a driving permit in the MS/HS office. The application includes a letter on file from their parent or guardian allowing the student to drive to and from school, a current copy of the student's driver's license, vehicle registration and auto insurance. Once all paperwork has been submitted correctly, the student driver may park in designated student parking areas.

While on campus, all drivers must obey all driving rules. This includes a 5-mph speed limit, following the direction of the arrows, and dropping students off in the designated area, not in the parking lot or on Mana Road.

Students cannot transport other students off-campus without prior approval from Administration. The Kiosk needs a written note from each parent of both drivers & passengers; including students that are 18 years old.

Students are encouraged to park on campus rather than on surrounding streets.

Athletes may not transport other athletes to games, except siblings.

Administration reserves the right to suspend driving privileges on campus for any violation.

### **ExtraCurricular Activities**

Academy for Academic Excellence (AAE) provides many learning opportunities outside of the classroom. These extra-curricular activities are overseen by AAE personnel and allow the student to grow in areas besides academics. Currently, extra-curricular activities include: Student clubs, Athletics, and ASB.

Students who receive an in-school or out-of-school suspension, will not be eligible to participate in ANY extracurricular activity, as either a participant or spectator, for 30 school days.

### **Clubs**

High School clubs must be student initiated and have a faculty advisor. They must also comply with the school's Code, write a constitution, elect officers, and be constructive to the mission of the AAE. For more information, contact the ASB advisor.

### **Associated Student Body**

The Middle School and High School Associated Student Body (ASB) raises funds to sponsor most of the school's social events. Officers and representatives are elected each spring by their peers, and are required to attend mandatory orientation meetings and must maintain a C or better in each of their classes. For more information, contact the ASB advisor.
